CLEOPATRA MOTORS

Website for Cleopatra Motors – Car Trading

Dubai, UAE

<https://cleopatra-motors.com/>

The screenshot shows the homepage of Cleopatra Motors. At the top, there's a navigation bar with the company logo and menu items like 'HOME', 'CAR FOR SALE', 'SELL YOUR CAR', 'ABOUT US', and 'CONTACT US'. The main banner features a white Toyota SUV with the headline 'THE WIND IS NOT EVEN CLOSE TO US' and a sub-headline 'We are a leading automotive digital marketplace that seeks to make car buying and selling easy, transparent and efficient.' Below the banner is a search filter section with dropdowns for Make, Model, Year, Price Range (set to 10000 AED), and buttons for 'Search This Vehicle' and 'Advanced Search'. The 'ABOUT US' section follows, explaining the company's mission and services. Below this is a 'FEATURE CAR' section displaying three vehicles: Toyota Hilux, Toyota Hilux, and Toyota RAV4, each with a small image and key specifications. The 'OUR BRANDS' section lists logos for Hyundai, Jeep, Kia, Lexus, Mazda, Mercedes-Benz, Mitsubishi, and Toyota. The 'OUR LOCATION' section includes a map of Dubai with several dealer locations marked. At the bottom, there's a 'SUBSCRIBE TO OUR NEWSLETTER' form.

This screenshot shows the search results page. It features a search bar at the top with filters for 'I WANT TO BUY' (All Cars, New Cars, Used Cars, Right Lease) and various vehicle attributes like Make, Model, Fuel, Color, Interior Colour, Steering, From Year, To Year, Engine Size, and Horsepower. Below the search bar, there are six car listings in a grid. Each listing includes a car image, a star rating, the car model (e.g., Jeep Grand Cherokee, Toyota Corolla, Toyota RAV4), and a price tag (e.g., 32000 AED). At the bottom of the page, there's a 'BROWSE BY BRANDS' section with links to various car brands like Hyundai, Jeep, Kia, Mercedes-Benz, and Mitsubishi.

This screenshot shows the 'OUR HISTORY' page. It starts with a 'WELCOME TO CLEOPATRA CARS PLATFORM ONLINE' section. Below this, there are four key features: 'ALL BRANDS' (listing various car brands), 'FREE SUPPORT' (24/7 support), 'DEALERSHIP' (partnering with dealers), and 'AFFORDABLE' (competitive pricing). The 'OUR HISTORY' section is a vertical timeline with four milestones: 01. BEGINNING (founded in 2014), 02. NEW SERVICE GARAGE (opened in 2016), 03. MAIN OFFICE (opened in 2017), and 04. NEW WEBSITE LAUNCH (launched in 2018). At the bottom, there's a 'DEALER REVIEWS' section showing a score of 5.61 and a 'HAPPY CUSTOMERS' section showing a count of 789.

This screenshot shows the 'OUR TESTIMONIAL' page. It features three customer testimonials, each with a photo of the customer and a quote. The testimonials are from Michael, David, and Michael, all praising the service and the quality of the cars. At the bottom, there's a 'SUBSCRIBE TO OUR NEWSLETTER' form.

Turn any QR card into a smart, hosted experience in minutes

Sell QR cards that **self-onboard**. First scan redirects to a clean CMS to claim ownership, build services (restaurant menus, product lists, product cards), and link each QR to a hosted page—no external setup, always on your domain.

[Start now](#) [See how it works](#)

First scan – Claim

New owner logs in, claims the QR, and lands in the CMS. From there they create services and link the QR to any service they own.

- Restaurant menus
- Products lists
- Product cards

How it works

A simple, guided flow—optimized for first-time scanners and repeat visitors.

1) Scan

Scan any packaged QR card. First-time scan opens the hosted claim page.

2) Claim

Sign in (or create an account) to claim the QR code as yours.

3) Create

Use the CMS to build a restaurant menu, products list, or product card—no coding.

4) Link & Launch

Attach the QR to a service. Next scans go straight to the live hosted page.

Why it wins

Zero setup

All services are hosted on your domain—no DNS, no servers, no plugins.

Own your QR

Scanned once to claim, forever managed from the dashboard.

Service templates

Restaurant menus, products lists, and product cards ready to go.

Fast & mobile-first

Every page is optimized for speed, accessibility, and small screens.

Scalable

Claim and manage one QR—or thousands. Bulk tools included.

Secure by default

User accounts, role-based access, and safe linking flows.

Built-in service types
